5.3 Effect of Termination. In the event of termination of this Agreement, regardless of the cause, all licenses granted under this Agreement are immediately revoked and Licensee shall promptly (i) discontinue all use of the Software; and (ii) erase or destroy any software contained in the computer memory or data storage apparatus under the control of Licensee; (iii) return to Licensor all copies of the Software, user manuals, on-line help and other Documentation and Confidential Information provided by Licensor in Licensee's possession; and (iv) certify in writing to Licensor within thirty (30) days of termination of this Agreement that Licensee has complied with the foregoing.

6. Confidential Information.

6.1 Except as reasonably required to exercise its rights under this Agreement, each party shall maintain the Confidential Information of the other party in confidence. Each party agrees to use commercially reasonable efforts to prevent and restrain any unauthorized disclosure, communication, copying, use, distribution, installation or transfer of possession of Confidential Information by any of its employees, consultants, and agents to others or use it for any purpose, except pursuant to and in order to carry out, the terms and objectives of this Agreement. At a minimum, each party shall maintain at least the same procedures regarding the other party's Confidential Information that it maintains with respect to its own. A party's Confidential Information shall not include any information which: (i) becomes part of the public domain through no act or omission of the other party; (ii) is lawfully acquired by the other party from a third party without any breach of confidentiality to the party to whom the information relates; (iii) is disclosed by a party to a third party without any obligation of confidentiality to the party to whom the information relates; (iv) is independently developed by the receiving party, or (v) is disclosed in accordance with judicial or other governmental order. Either party may publicly disclose the existence of this Agreement, but neither party shall disclose details of the Agreement without written consent from the other party.

6.2 Injunctive Relief. Both parties acknowledge that any use of the disclosing party's Confidential Information in a manner inconsistent with the provisions of this Agreement may cause the disclosing party irreparable and immediate damage for which remedies other than injunctive relief may be inadequate. Therefore, both parties agree that, in addition to any other remedy to which the disclosing party may be entitled hereunder, at law or equity, the disclosing party shall be entitled to an injunction or injunctions

(without the posting of any bond and without proof of actual damages) to restrain such use in addition to other appropriate remedies available under applicable law.

All intellectual property rights, including but not limited to copyright, trademark, patent, and trade secret rights and interest in the Software and Documentation are and shall remain the sole property of Licensor, its licensors and its suppliers. Licensee's rights to possess and evaluate the Software and Documentation are specific and limited licensed rights only and grant Licensee no right, title or other interest in the intellectual and/or commercial property of the Software and Documentation, except as expressly provided for in this Agreement. Licensor reserves all rights not expressly granted herein and there are no implied rights.

At Licensee's request, Licensor may provide modifications to the Software, including without limitation software that constitutes a customization, improvement, modification or translation or "derivative works" (hereinafter "Software Modifications") to meet Licensee's requirements provided that:

- (a) Licensee shall acquire no right, title or other interest in the intellectual and/or commercial property of any Software Modifications.

8. Limitation of Liability

The foregoing limitations shall not apply to a Licensee's breach of Section 2, either party's violation or misappropriation of the other party's intellectual property rights, or either party's breach of Section 6.

The Disclaimer of Warranties and Limitation of Liability set forth above are fundamental elements of the basis of the agreement between the parties and Licensor and its suppliers would not be able to provide the Software on a no charge, evaluation basis without such limitations.

9. Government Restricted Rights.

This Section 9 applies to all acquisitions of the Software by or for the federal government, or by any prime contractor or subcontractor (at any tier) under any contract, grant, cooperative agreement or other activity with the federal government. The Software was developed at private expense and is Commercial Computer Software, as defined in Section 12.212 of the Federal Acquisition Regulation (48 CFR 12.212 (October 1995)) and Sections 227.7202-1 and 227.7202-3 of the Defense Federal Acquisition Regulation Supplement (48 CFR 227.7202-1, 227.7202-3 (June 1995)). Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns.

10.3. Waiver. The failure of Licensor to enforce at any time any of the provisions of this Agreement shall in no way be construed as a waiver of such provision, nor in any way affect the validity of this Agreement or any part thereof, or the right of Licensor to enforce each and every provision.

10.4. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law that provision will be enforced to the maximum extent permissible and the remaining provisions of this Agreement will remain in full force and effect.

In each case this Agreement shall be construed and enforced without regard to the United Nations Convention on the International Sale of Goods.

10.8 Attorneys' Fees. In the event of any litigation between the parties concerning performance or non-performance of either party's obligations under this Agreement, the prevailing party shall be entitled to be reimbursed by the other party for the costs and expenses, including, but not limited to, reasonable attorneys' fees, incurred or paid by the prevailing party in such litigation.

10.9 Force Majeure. Except for the obligation to make payments, nonperformance of either party shall be excused to the extent that performance is rendered impossible by strike, fire, flood, governmental acts or orders or restrictions, failure of suppliers, or any other reason where failure to perform is beyond the reasonable control of the non-performing party.

10.10 Notices. Any demand, notice, consent, or other communication required by this Agreement to be given in writing shall be given either (i) by being hand-delivered to the receiving party, or (ii) by being deposited in the mail (registered or certified) or delivered to a recognized private express common carrier, postage or freight prepaid, addressed to the receiving party at its address set forth in the introductory paragraph to this Agreement.
